

REMARKS

This response is filed to address the accompanying Notice of Incomplete Reply (Nonprovisional) to submit the basic filing fee, the declaration and power of attorney, and the Sequence Listing filed concurrently herewith and to provide a computer readable form copy of the Sequence Listing. A statement that the content of the concurrently filed paper and computer readable copies are the same also is enclosed. The response is believed to be complete. Additionally enclosed is an Information Disclosure Statement and accompanying PTO-1449 and a preliminary amendment.

Applicants respectfully request examination on the merits of this application.

Respectfully submitted,

April 30, 2002
